

# Easy Feed Pillow

## Feeding pillow for both breast & bottle fed babies

- Helps make feeding relaxing for both mother & baby.
- Supports baby's weight so reduces strain on mother's back, neck & shoulders.
- Pillow is angled to help baby breathe and swallow safely whilst feeding.
- Helps mother to sit in a comfortable position to feed baby.
- Adjustable to accommodate your baby's growth.
- Reversible padded feeding wedge.
- Washable slip included - additional slips available.
